

San Jose, Calif. -- Oct. 16, 2000 -- Novellus Systems, Inc. (Nasdaq NM: NVLS) today reported record net sales and results of operations for its third quarter ended September 30, 2000. Record net sales for the quarter were \$359.1 million, up 10 percent from \$326.0 million in the second quarter of 2000 and up 132 percent from the third quarter 1999 net sales of \$154.9 million. Record net income assisted by record net margins, for the third quarter of 2000 was \$85.3 million or \$0.62 per share, up 13 percent from \$75.7 million or \$0.56 per share, for the second quarter of 2000 and up 291 percent as compared to net income of \$21.8 million and \$0.18 per share in the third quarter of 1999. The per share amounts are stated on a fully diluted basis.

Richard Hill, chairman and chief executive officer said: "Record results for the quarter were driven both by market share gains with advanced technology and customer expansion with our ever increasing portfolio of new products."

"Safe Harbor" Statement under the Private Securities Litigation Reform Act of 1995: The statements regarding (i) customer expansion and (ii) the ability of the Company's product portfolio to meet this demand, as well as other matters discussed in the news release that are not purely historical data, are forward-looking statements. The forward-looking statements involve risks and uncertainties including, but not limited to, a possible slowdown in customer capital spending which would result in a slowdown in new orders, and competitors introducing advanced products that would adversely affect orders for the Company's products as well as other risks indicated in filings with the Securities and Exchange Commission (SEC). Actual results could differ materially. Novellus assumes no obligation to update this information. For more details, please refer to Novellus' SEC filings, including its most recent Annual Report on Form 10-K for the year ended December 31, 1999 and quarterly reports on Form 10-Q for the quarters ended April 1, and July 1, 2000.
