

# Lam Research Corporation Announces Successful Preliminary Results of Public Tender Offer for Registered Shares of SEZ Holding AG

FREMONT, Calif., February 11, 2008 Lam Research Corporation (NASDAQ: LRCX) today announced, based on preliminary results, that its cash tender offer for all publicly held registered shares of SEZ Group (SWX: SEZN) at Swiss Francs (CHF) 38.00 per SEZ registered share has successfully met the condition that more than 66 2/3% of SEZ shares be tendered.

By the end of the offer period on February 11, 2008, 4:00 p.m. Central Europe Time (CET), a total of 12,853,522 SEZ shares corresponding to 75.95% of all issued SEZ shares, and all SEZ shares that could be created through the exercise of all outstanding employee stock options to purchase SEZ shares, have been tendered into the offer. Based on this, the acceptance level of the tender offer is 75.95%.

The offer remains subject to certain conditions to be fulfilled, including without limitation regulatory approvals. There is also a mandatory period under Swiss law during which additional SEZ shares may be tendered and will be accepted in addition to those that were tendered by the end of the offer period. The additional acceptance period is expected to run from February 13, 2008, through February 26, 2008, at 4:00 p.m. (CET).

Subject to satisfaction of the remaining conditions, settlement of Lam's acquisition of and payment for the SEZ shares tendered in the offer through the additional acceptance period is expected to occur in March, 2008.

Lam Research Announces Successful Preliminary Results .....Page 2 of 2

Following settlement of the tender offer, Lam expects to take additional steps as necessary to acquire any shares that remain outstanding. SEZ will become a division within Lam Research offering a full spectrum of leading edge Single Wafer clean solutions.

This release is neither a preliminary nor a final announcement of the interim results of the offer in accordance with the applicable Swiss takeover laws and has no effect under such laws or any other takeover laws whatsoever.
