

Lam Research Corporation Announces Preliminary Final Results of Public Tender Offer for Registered Shares of SEZ Holding AG

FREMONT, Calif., February 27, 2008 Lam Research Corporation (NASDAQ: LRCX) today announced, based on preliminary results, that at the end of the additional acceptance period on February 26, 2008, at 4:00 p.m. Central European Time (CET), 15,954,204 SEZ shares corresponding to 94.26% of all issued SEZ shares, and all SEZ shares that could be created through the exercise of all outstanding employee stock options to purchase SEZ shares, have been tendered into the offer.

Lam has obtained the clearances from competition authorities required for completing the offer. Subject to remaining conditions that must be satisfied and are described in the prospectus offer, Lam expects to complete the offer in March, 2008. SEZ will become a division within Lam Research offering a full spectrum of leading edge Single Wafer clean solutions.

This release is neither a preliminary nor a final announcement of the final results of the offer in accordance with the applicable Swiss takeover laws and has no effect under such laws or any other takeover laws whatsoever. Reference is made to the respective official announcements, copies of which will be posted at www.transactioninfo.info.
