Lam Research Corporation Announces Participation at Upcoming Conference

FREMONT, Calif., Feb. 14, 2017 (GLOBE NEWSWIRE) -- Lam Research Corporation (Nasdaq:LRCX) today announced its upcoming investor conference schedule:

- Feb 28, 2017 - Morgan Stanley Technology Conference, 1:30PM Pacific Time

A live webcast of the presentation will be available to the public and can be accessed from the Investors' section of Lam's website at www.lamresearch.com. A replay of the webcast will be available for two weeks after the presentation dates.

About Lam Research:
Lam Research Corp. (Nasdaq:LRCX) is a trusted global supplier of innovative wafer fabrication equipment and services to the semiconductor industry. Lam's broad portfolio of market-leading deposition, etch, and clean solutions helps customers achieve success on the wafer by enabling device features that are 1,000 times smaller than a grain of sand, resulting in smaller, faster, more powerful, and more power-efficient chips. Through collaboration, continuous innovation, and delivering on commitments, Lam is transforming atomic-scale engineering and enabling its customers to shape the future of technology. Based in Fremont, Calif., Lam Research is a Nasdaq-100 Index® and S&P 500® company whose common stock trades on the Nasdaq Global Select Market℠ under the symbol LRCX.
