Lam Research Names 2018 Supplier Excellence Award Recipients

Six Companies Awarded for Overall Supplier Excellence

FREMONT, Calif., Sept. 20, 2018 (GLOBE NEWSWIRE) -- Lam Research Corporation (Nasdaq: LRCX), a global supplier of innovative wafer fabrication equipment and services to the semiconductor industry, today announced the recipients of its 2018 Supplier Excellence Awards. Selected from Lam's extensive list of preferred global suppliers, the companies were recognized for their outstanding performance, strategic services, and critical collaboration.

During Lam's 2018 Supplier Day held on September 19th, the following six companies were presented with an award for Overall Supplier Excellence:

- Fujikin Incorporated
- HORIBA, LTD.
- Texon Co., LTD.
- TOTO, LTD.
- Watlow Electric Manufacturing Co.
- Wonik QnC Corporation

"Our top suppliers make it possible for us to provide exceptional, industry-leading products and services to our customers," said Tim Archer, president and chief operating officer of Lam Research. "Close collaboration with these top performing suppliers has proven critical to delivering innovative, high-quality solutions for some of the industry's most difficult challenges. We welcome the opportunity to honor their achievements and extend our sincere congratulations to each recipient of our 2018 Supplier Excellence Award."
